

Simulation Software
/Source Files/GraphicalElement.h

```
graph TD; A["Simulation Software  
/Source Files/GraphicalElement.h"] --> B["unordered_map"]; A --> C["wx/graphics.h"]
```

The diagram illustrates the dependencies of the file `GraphicalElement.h` within the `Simulation Software` source files. Two blue arrows originate from the bottom of the top box and point to the two boxes below it, indicating that `GraphicalElement.h` includes or depends on `unordered_map` and `wx/graphics.h`.

`unordered_map`

`wx/graphics.h`
