

SourceNode::MyStatistics  
::Report

```
graph LR; A[SourceNode::MyStatistics::Report] --> B[WriteToFile]
```

A diagram showing a call from a source node to a target function. The source node is represented by a gray rectangular box with a black border, containing the text "SourceNode::MyStatistics" on the top line and "::Report" on the bottom line. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border. The white box contains the text "WriteToFile".

WriteToFile
